

Parent-Child Video Game Contract

This contract is to help our family create ground rules for gaming.

VIDEO GAME RULES

1. I will always do my gaming in the _____ room.
2. I will set a time for _____ minutes a day and will stop playing when the timer goes off. If my parents ask me to stop before the timer goes off I will do so without complaining. If I complain I forfeit tomorrow's video game time. Weekends _____
3. I will not play any game with a rating higher than _____ unless given permission by my parent(s).
4. I will get permission from my parent(s) before communicating with other players via text or voice. And I will never give out private information, including my real name, address, phone number or passwords.
5. If someone says something that makes me feel uncomfortable during game play, I will stop playing with that person, block them and tell my parents.
6. I agree to let any member of my family play with me at any time.
